I pass goes to 4 who is heading toward the basket. If 4 is not open, 3 passes to 2. 5 sets a screen for 3 as 3 enters the court. 3 uses the screen, moves toward the baseline area of the court and looks for a return pass back from 2. The popular solitaire card game has been around for years, and can be downloaded and played on personal computers. There are numerous variations of solitaire that are usually played by one individual. Many of the following games are free to play and easy to use.The Classic GameThe classic game of solitaire that used to be played with a deck of cards can now be downloaded for Windows 10 on your computer and accessed by email. This digital version of the card game handles the shuffling and dealing of the cards for you. You basically play against yourself, with the computer as the dealer. On some PCs this game is also called Klondike.Spider is a variation of the traditional solitaire. ItcÁÁAs part of the Microsoft software collection, and is one of the free solitaire games for PCs. The game is played using eight columns of cards lined in a row on the computer screen. The player aims to get rid of the cards in the quickest way with the fewest moves. A timer keeps track of the time elapsed as you compete with yourself.FreecellIn this solitaire variation, the player uses four cells to move cards around the virtual board. Eventually all the cards are cleared and the game ends. Some programs store the progress and scores for you to keep up with your plays. While the games are free, most have ads that pop up during play.PyramidPyramid is another free option. The game uses two cards coupled together and adding up to 13 that are removed from the deck (like a six and a seven or an eight and a five). Play continues with the remaining cards, and the goal of reaching 13 each time in order to continue. Pyramid is a fun and entertaining card game, and a great way to pass the time.TripeaksIn the game of Tripeaks, cards are selected in a sequence going up down to accumulate points. This game and other solitaire variations are easily played by all ages. The programs that are downloaded on your computer are usually available to play on tablets and smartphones, too. This way, you can take your games with you when youcÁÁAre away from your computer. MORE FROM QUESTIONSANSWERED.NET Basketball is one of the most popular sports in the US. If you're a player, coach, fan, or all of the above, these apps are definitely for you. There's an app for every purpose out there, and basketball enthusiasts can be all the happier for it. Let's take a quick look at the best basketball apps available for Android and iOS devices. 1. NBA: Live Games and Scores This is the official NBA basketball app; your one-stop shop for everything you may ever need to do with basketball. The app gives you all the latest live scores, pre- and post-match statistics, and lets you view the highlights in HD. You can also browse through the latest news and stay updated with the basketball world. You can look at previews, recaps, press conferences, and even events on the go. Points tables, match schedules, team ratings, you name it, it's all there on the app. Have an idol in the basketball world? You can find lots of personalized content on each player and their team. An NBA League Pass and NBA TV in the app gives you access to live streams with custom languages and multiple condensed game formats. NBA TV is currently only available in the US. Download: NBA: Live Games and Scores for Android | iOS (Free, in-app purchases available) 2. NBA 2K Mobile Basketball Game Get your own all-star basketball experience with NBA 2K Mobile, one of the most popular basketball games on the market. You can choose your players and build your dream team on the app. It has updated jerseys, court and card stats, and player likenesses for every season. The quality is competitive to a console game, and the graphics are incredibly lifelike. You can enhance your basketball training, in seasons and earn rewards while doing so. You can also receive brand new crafting materials, compete in limited-time events, and climb up the NBA league leaderboards. Whether you want to collect elite basketball cards, begin your virtual career as a basketball player, or lead the team as an NBA manager, this app has got it all. Download: NBA 2K Mobile Basketball Game for Android | iOS (Free, in-app purchases available) 3. Basketball Blueprint Here's one for all aspiring basketball players out there looking to hone their skills and learn some new tricks. Basketball Blueprint will give you everything you need to know to improve your game. The app has a simple, easy-to-use layout, with over 140 drills and over 50 different plays for you to practice. You get to see drills for footwork, shooting, rebounding, passing, team defense, individual defense, and ball handling, all grouped into separate categories. There are video tutorials, step-by-step instructions, and even diagrams to help you understand and master a skill. It's almost like having a virtual coach. If you're looking to better your plays as a team, there's a wide variety of sideline and baseline inbound plays, along with press breaks and buzzer-beaters to help you build your own descriptive playbook. The best part is you can draw, save, and share your own plays to refer to them later with the team. All the tips, tutorials, and plays have come from extremely popular profiles in the basketball world, including Hubie Brown and Bob Hurley. Download: Basketball Blueprint for Android | iOS (Free, in-app purchases available) 4. Coach Tactic Board: Basketball If you're coaching a basketball team, this is one app you absolutely need to have. Coach Tactic serves as a replacement for your conventional whiteboard to help you draw up plays for the team. The app has many exciting features you can access, along with an easy-to-use layout. It has drawing tools that allow you to draw 20 different types of lines to create for your team. You can save as many drills and plays as you want into different categorized folders and you can switch between full and half-court mode with ease. Customize your players' names, numbers, photos, and positions, and drag in substitutions whenever you like. Change the color, the number of players, the type of lines, the size of the ball, and much more. Done drawing up your plays? Share it with the rest of the team over Facebook, or just save them as a PDF. Download: Coach Tactic Board: Basketball for Android | iOS (Free, in-app purchases available) 5. PureSweat Basketball Workout PureSweat is an app to teach you specific workouts that will help you bring your A-game to the court. Instructional videos and audio guidance from the NBA Skills Coach, Drew Hanlen, are available to guide you through the workout process. All you have to do is select a certain skill level, the skills you want to work on, and how long you'd like to work on themcÁÁThat's it. You will get a custom-made workout plan based on your preferences. The skill levels available cover middle school, high school, college, and pro, so there's a category for everyone out there. The duration of the workouts ranges from short, 15-minute plans to comprehensive 60-minute ones. You can choose whatever you like according to the time you've got. The app has an activity tab that allows you to see how much work you've put into your workouts and give you an idea of what you need to work on. You get a short free trial before you will have to subscribe to train with your customized workouts. Subscription packages are available on a monthly and yearly basis. Download: PureSweat Basketball Workout for Android | iOS (Free, subscription available) 6. BasketballNews.com While the app may be low key for now, BasketballNews holds great potential. It's an excellent hub for basketball scores, statistics, breaking news, and real-time analytics, along with in-depth reviews. The app's very own Basketball News Podcast It really distinguishes it as it has 10 podcasts that cover everything, from the university basket to the NBA. You can also watch live streaming, basket-oriented web series, documentaries and other video content behind the scenes to take a look at the world of basketball. You can check the draft draft, watch graphics and complete graphics for players and teams, check the cumulative points for player, or simply browse their newfeed. Download: basketballnews.com for Android | iOS (free) all your basketball needs directly on your phone that you are a player, a viewer, a fan, a coach, or even just a player, there is a big basketball app that you can download for that What do you want. These apps allow you to build your games and exercises, teach you training and help you improve your knowledge in basketball. You will also find applications that allow Live-Stream Games, check the scoreboards, obtain players' statistics and assessments, build a virtual NBA team, and read the latest news and articles. articles.
